he/him/his | jlee994@wisc.edu | <https://sites.google.com/view/joonwoo-lee/home>

EDUCATION

2020 – <i>Present</i>	University of Wisconsin-Madison, WI Doctoral Candidate in Counseling Psychology Advisor: Stephanie Budge, PhD
2020	Korea University, Seoul, South Korea M.Ed. Counseling Advisor: Bora Lee, PhD
2016	Marlboro College, VT B.A. Economics & Chinese Language (High Honor)
2010 – 2012	Yonsei University, Seoul, South Korea Psychology Major

RESEARCH/PROJECT FUNDING

2023 – 2024 \$44,666	Institute for Diversity Science Grant <i>University of Wisconsin-Madison</i> Implementation of the Healing through Ongoing Psychological Empowerment (HOPE) Intervention with Two Spirit, Transgender, and Nonbinary Clients of Color: An Open Clinical Trial. <i>Role: Co-Investigator</i>
2023 – 2025 \$9,000	Roy Scrivner Memorial Research Grant <i>American Psychological Foundation</i> Transgender and Nonbinary People's Experience of Relational Trauma with Parental Figures <i>Role: Principal Investigator</i>
2023 – 2024 \$4,000	Baldwin Wisconsin Idea Endowment Seed Grant <i>Ira and Ineva Reilly Baldwin Wisconsin Idea Endowment</i> Transgender and Nonbinary People's Experience of Relational Trauma with Parental Figures <i>Role: Principal Investigator</i>
2023 \$4,500	Scott Kloeck-Jenson Fellowship <i>Institute for Regional and International Studies, University of Wisconsin-Madison</i> Korean Transgender and Nonbinary People's Needs and Challenges in Accessing Gender Affirming Services: A Thematic Analysis <i>Role: Principal Investigator</i>
2023 \$2,500	4W Engagement Grant for Emerging Scholars <i>4W (Women & Wellbeing in Wisconsin & the World) Initiative, University of Wisconsin-Madison</i> Towards Equitable Access to Gender-Affirming Care for TNB Individuals in South Korea: Disseminating the Companionship Model <i>Role: Project Lead</i>

HONORS AND AWARDS

Research & Advocacy Awards

2024	Award for Outstanding Social Justice & Advocacy in Counseling Psychology Division 17 (SAS), American Psychological Association
2024	Jen Mandel Olson Memorial Award (\$2,500) for Outstanding Research in Family Issues, University of Wisconsin-Madison
2023	Transgender Research Award (\$500) Division 44, American Psychological Association
2023	Research Grants for Psychology Students and Recently Graduated Psychologist of Color Award (\$300) American Psychological Association
2023	Malyon Smith Scholarship Research Award (\$300) Division 44, American Psychological Association
2023	Distinguished Student Contribution Award Division 44, American Psychological Association
2023	Michael Sullivan Diversity Scholarship Fund (\$500) Ohio Psychological Association
2023	Student Research Grants Competition (\$1,500) Office of Diversity, Inclusion, and Funding, University of Wisconsin-Madison Graduate School
2021	Graduate Student Outstanding Research Award-Runner up (\$400) Division 17 International Section, American Psychological Association
2020 – 2021	Kemper Knapp Fellowship (\$28,000) College of Education, University of Wisconsin-Madison
2020	Outstanding Thesis Award (\$1,500) College of Education, Korea University
2019	Research Award (\$2,000) Korea University
2018 – 2019	Brain Korea 21 (BK 21) Plus Scholarship (\$7,000) Korea University
2016	High Honor Thesis Marlboro College
2015	Geiger Research Grant (\$2,000) Marlboro College
2015	International Experience Grants (\$3,000) Christian Johnson Endeavor Foundation (CJEF)

Scholarships and Travel Awards

2024	Persistence Scholarship (\$1,000) Point Foundation
2024	Professional Development Scholarship (\$2,500) Point Foundation

2024	Aliveness Project Scholarship Fund (\$2,000) PFund Foundation
2024	BIPOC Scholarship (\$1,500) Point Foundation
2023	Prism Foundation Scholarship (\$2,500) Prism Foundation
2023	Aritzia Scholarship (\$5,000) Stonewall Community Foundation
2023	Finalist, Flagship Award Point Foundation
2023	Mentoring Student Travel Award (\$500) Division 44, American Psychological Association
2023	Travel Award (\$1,265) National Transgender Health Summit Planning Committee
2022	BIPOC Scholarship (\$1,500) Point Foundation
2022	Qualified Treatment Trainee Graduate Student Award (\$5,000) Center for Inclusive Transition, Education & Employment – UW Whitewater.
2022	APA Convention Funding Award (\$300) Society of Counseling Psychology's Student Affiliates of Seventeen Division 17 International Section, American Psychological Association
2019	International Conference Travel Award (\$800) Korea University
2018	International Conference Travel Award (\$800) Korea University
2013 – 2016	Marlboro Merit Scholarship (\$23,000) Marlboro College

NIH RESEARCH TEAM EXPERIENCE

2024 Fall–
Present *Data Analyst*, University of Rhode Island
A Randomized Controlled Trial of Expressive Writing Treatments for Trauma-Exposed Sexual Minority Women and Gender Diverse Individuals
 Funding: NIH/NIAAA K01AA028239-01A1 (\$172,090)
 PI: Jillian Scheer, PhD

- Assessed for the feasibility and acceptability of the expressive writing intervention for trauma-exposed sexual minority women and gender diverse individuals
- Explored potential mediators and moderators of therapeutic change using LIWC (linguistic analysis) and elucidated mechanisms of change in expressive writing treatments
- Used multimodal methods to test mechanisms of change using psychophysiological data (e.g., cortisol level)
- Disseminating study findings to national conferences
- Writing manuscripts on the feasibility, acceptability, and efficacy of the intervention

2024 Fall–
Present

Research Assistant, University of Wisconsin-Madison

A Multidimensional Investigation of Social Support for Transgender and Nonbinary People and Its Impacts on Health and Well-Being

Funding: NIH/NIMHD 1R01MD018571-01A1 (\$773,482)

PIs: Elliot Tebbe, PhD., Stephanie Budge, PhD.

- Facilitated focus groups and individual interviews with community members to identify key sources of social support for trans people

RESEARCH CONSULTATIONS

2023 Oct

Seoul National University, School of Medicine

A Cohort Study on Korean Transgender and Gender Diverse People's Health

- Provided consultation on creating survey questions that are culturally sensitive, linguistically up-to-date, and methodologically sound to accurately capture the nuanced experiences of the cohort
- Delivered consultation on the optimization of research environment to ensure positive participant experience
- Provided expert guidance on the selection of methodologically robust and relevant measures

2023 Spring –

Advisory Board Consultant, Texas Tech University

Real-Time Study of Psychotherapy, Suicide Risk, and Resilience in Transgender and Non-Binary Adults (P.I: Sarah Victor)

- Provide expert feedback on the research study design and processes

PROVISION OF RESEARCH MENTORSHIP

Qualitative Analysis and Manuscript Preparation, Department of Counseling Psychology, University of Wisconsin-Madison *Jan 2024–Present*

- Greyson Mize (PhD Student), Ace Pili (Undergraduate Student)
 - Provided comprehensive training on coding and analyzing qualitative data, focusing on reflexive thematic analysis. Dedicated two hours weekly to co-coding sessions from Jan 2024 to May 2024, fostering a collaborative learning environment centered on the experiences of change from the HOPE intervention for transgender and nonbinary people of color
 - Mentored on writing and submitting qualitative research manuscripts for peer-reviewed journals. Offered personalized feedback and support throughout the manuscript development process, enhancing academic writing and research dissemination skills

TEACHING EXPERIENCES

Lead Teaching Assistant, Department of Counseling PsychologyUniversity of Wisconsin-Madison, *Sept 2023 – May 2024*

- CP 655: Clinical Communication Skills (0.5 FTE)
- Supported a team of 5 Teaching Assistants through guidance on effective pedagogy
- Managed the Canvas system, ensuring organized and timely updates of course content
- Served as a primary consultant for TAs regarding student-related issues, offering solutions and strategies to foster a positive learning environment
- Teaching two weekly labs (1.5 hours each) on utilizing and applying clinical communication skills for students going into healthcare professions
- Writing recommendation letters

Teaching Assistant, Department of Counseling PsychologyUniversity of Wisconsin-Madison, *Sept 2022 – May 2023*

- CP 655: Clinical Communication Skills (0.5 FTE)
- Teaching three weekly labs (1.5 hours each) on utilizing and applying clinical communication skills for students going into healthcare professions
- Providing weekly feedback on each student's recorded, clinical practices on Skillsetter
- Communicating with students to facilitate their learning and sense of community and to address students' needs

Teaching Assistant, Department of Counseling PsychologyUniversity of Wisconsin-Madison, *Sept 2021 – May 2022*

- CP 225: Intersectionalities, Self-Awareness, and Social Actions for Social Change (0.5 FTE)
- Provided weekly written feedback and evaluation for group discussion and individual assignment on race/ethnicity, class, gender, sexuality, disability/ability, migration status, and religion
- Communicated with students via e-mail to facilitate their learning and address students' needs

Teaching Assistant, Department of EducationKorea University, *Mar 2019 – July 2019*

- Career Counseling
- Graded written essays for mid-term and final exams
- Assisted in preparing course materials

Teaching Assistant, Department of HumanitiesMarlboro College, *Jan 2016 – May 2016*

- Provided weekly Chinese tutoring in one-on-one and group setting
- Assisted in preparing class materials

GUEST LECTURES

Graduate Level Course

The Health of Transgender and Gender Diverse People, Harvard T. H. Chan School of Public Health, Nov 2024

- Invited to provide a talk on transgender and nonbinary people's experience of relational trauma with parental figures and processes of healing as part of a cutting-edge research on transgender health

Grounded Theory Research, University of Wisconsin-Madison, June 2023

- Invited to provide a talk on a community-based participatory theoretical sampling method for a grounded theory study

Lifestyle and Career Development, University of Wisconsin-Madison, April 2023

- Invited to provide a lecture and facilitate group discussions on Korean TNB People's Experience of Systemic Discrimination, Interpersonal Interactions, and Resilience in Workplace

Undergraduate Level Course

Clinical Communication Skills, University of Wisconsin-Madison, Nov 2023

- Provided a guest lecture for a large-classroom undergraduate course (100+) on Motivational Interviewing

Clinical Communication Skills, University of Wisconsin-Madison, April 2023

- Provided a guest lecture for a large-classroom undergraduate course (100+) on Addressing Health Disparities through Culturally Humble Clinical Communications Among Health Care Professionals

INVITED PANELS

3. **Lee, J.**, Tebbe, E., Budge, S.L. (2023, Oct). Gender Diversity Inclusion as Researchers and in Research: How to Use a Community-Based Approach. An invited talk at the Diversity Summit on Protecting and Advancing Trans Health, UW Health & School of Medicine and Public Health at UW-Madison
2. **Lee, J.**, Schultz, G., Smaldino, E., Schlechter, T. (2022, April). Promoting Health Equity for Trans and Nonbinary Individuals. A panel talk provided to the Colorado School of Public Health, Aurora, CO.
1. **Lee, J.**, Schultz, G., j.nyla mcneill. (2021, October). Cis/heteronormativity within the health, educational, and family system. A panel talk provided to the Wisconsin Population Health Service Fellowship & Preventive Medicine Residency Learning Community Meeting, Madison, WI.

CONFERENCE PRESENTATIONS

FEATURE STAGE

1. **Lee, J.**, McGuirk, A., Lindley, L. (2024, August). A qualitative analysis of messages about and lived experience of the impacts of gender affirming medical interventions on gender dysphoria. A Feature Stage (“Trans Authenticity: Challenging Media Narratives and Anti Trans Discourses”) presented at the 2024 Annual Meeting of the American Psychological Association, Seattle, WA.

WORKSHOP

2. Kim, H., **Lee, J.**, Rainboth, K., Budge, S.L. (2024, Oct). The Companionship Model for gender affirming care: A guide for clinicians. A Workshop Presented at GLMA’s 42nd Annual Conference on LGBTQ+ Health.
1. Domínguez, S. Jr., Norton, M., mcneill, j. n., **Lee, J.**, Tebbe, E., & Budge, S. L. (2023, May). Let’s find a sweet spot to co-conspire: Building a community advisory board for community-based participatory research. A Workshop Presented at the 2023 National Transgender Health Summit, San Francisco, CA.

SYMPOSIUM / ORAL PRESENTATION

15. Scheer, J. R., **Lee, J.**, Behari, K., Dobani, F., Irani, K., Chasten, N., Epshteyn, G., Jackson, S. D., Batchelder, A. W., & Sullivan, T. P. (2025, April). LGBTQ+ people’s perspectives on remote expressive writing treatments for PTSD and unhealthy drinking. In N. H. Weiss (Chair), Community-engaged approaches for addressing co-occurring PTSD and SUD in diverse populations. Symposium paper to be presented at the Collaborative Perspectives on Addiction Annual Meeting, Providence, RI.
14. **Lee, J.** (2024, Accepted). Understanding the SOC v.8 and using the Companionship Model in writing letters of support for trans and nonbinary adults. Accepted for oral presentation at 2024 The World Professional Association for Transgender Health (WPATH) 28th Scientific Symposium in Lisbon, Portugal.
13. Domínguez, S. Jr., Budge, S. L., Tebbe, E., Lindley, L., **Lee, J.**, & Matsuno, Em. (2024, August). Clinical trial 6-Month Follow-Up Analysis with Two Spirit, trans, and nonbinary clients of color. A symposium session presented at the 2024 annual meeting of the American Psychological Association, Seattle, WA.

12. **Lee, J.**, Mize, G., Pili, A., Budge, S.L., Tebbe, E., (2024, August). Trans/Nonbinary POC Clients' Perceptions of Change Specific to Therapy Goals. A symposium session presented at the 2024 annual meeting of the American Psychological Association, Seattle, WA.
11. **Lee, J.**, Barr, S. (2023, August). Transgender and Nonbinary People's Experience of Relational Trauma with Parental Figures: Intersections with Minority Stress and Cultural Factors and Pathways to Healing. Presented as a symposium session at the annual meeting of the American Psychological Association, Washington D.C.
10. Domínguez, S. Jr., Budge, S. L., Tebbe, E., Norton, M., **Lee, J.**, Lindley, L., & mcneill, j. n. (2023, May). Longitudinal analyses from an open psychotherapy clinical trial with Two-Spirit, trans, and nonbinary clients of color. An oral presentation at the 2023 National Transgender Health Summit, San Francisco, CA.
9. **Lee, J.**, Lee, B. (2023, May). A grounded theory of Korean trans and nonbinary people's interpersonal interactions in workplace: Gaining critical awareness of gender and transcending binary gendered society. An oral presentation at the 2023 National Transgender Health Summit, San Francisco, CA.
8. **Lee, J.**, Budge, S.L., Dominguez, S. Jr., Tebbe, E (2023, May). From gatekeeping to a Companionship Model: How to write referral letters for trans and nonbinary individuals. An oral presentation at the 2023 National Transgender Health Summit, San Francisco, CA.
7. **Lee, J.**, Stan, G., Dominguez, S. Jr., Norton, M., Budge, S.L, Tebbe, E (2023, May). Understanding the psychotherapy goals of two-spirit, transgender, and nonbinary people of color (TPOC) from the first psychotherapy trial study for TPOC. An oral presentation at the 2023 National Transgender Health Summit, San Francisco, CA.
6. **Lee, J.**, Lee, B. (2022, October). A grounded theory of Korean trans and nonbinary people's interpersonal interactions in workplace: Gaining access to a critical awareness of gender and transcending binary gendered society. A symposium session presented at the 2022 annual meeting of the Korean Counseling Psychology Association, Seoul, South Korea.
5. **Lee, J.**, Budge, S.L. (2022, August). Moving from gatekeeping to a Companionship Model in the letter writing process for trans and nonbinary individuals. Presented as part of a symposium session ("Gatekeeping of TNB individuals-A call to action for ethical trans affirmative research and practice") at the 2022 annual meeting of the American Psychological Association, Minneapolis, MN.
4. **Lee, J.**, Matsuno, E. Norton, M., Lindley, L., Tebbe, E., Budge, S.L. (2022, August). Mixed-Methods Results from Gender, Resilience and Resistance, Empowerment, and Affirmation Training (GREAT). A symposium ("Emerging Studies on Liberatory Psychotherapy with Two-Spirit, Trans, and Nonbinary Communities") presented at the 2022 annual meeting of the American Psychological Association, Minneapolis, MN.
3. Lindley, L., **Lee, J.**, Norton, M. (2022, August). The Complicity of Psychologists, Institutions, and Organizations in Gatekeeping Practices. Presented as part of a symposium session ("Gatekeeping of TNB individuals-A call to action for ethical trans affirmative research and practice") at the 2022 annual meeting of the American Psychological Association, Minneapolis, MN.
2. Dominguez, S. Jr., Budge, S.L., Tebbe, E., Norton, M., **Lee, J.**, Lindley, L., j.nyla mcneill. (2022, August). Baseline data from an open psychotherapy trial with two-spirit, trans, and nonbinary clients of color. Presented as part of a symposium session ("Emerging studies on liberatory psychotherapy with two-spirit, trans, and nonbinary communities") at the 2022 annual meeting of the American Psychological Association, Minneapolis, MN.
1. Lee, M., Kim, G., **Lee, J.**, & Vo, H. (2018, November). Self-efficacy as a mediator of parent- child relationship and self-regulatory ability in Korean adolescents. An oral presentation at Korea University-Waseda University 2018 International Conference, Tokyo, Japan.

Poster Presentation

3. Lee, J., Hoyt, W. T., Budge, S.L. & Lee, B. (2021, August). Parental attachment and internalized transnegativity among Korean TNB populations: Role of self-shame, rejection sensitivity, and self-concept clarity. American Psychological Association, Virtual.
2. Lee, J., Lee, B. (2020, Accepted). Perceived changes in workplace experience pre- and post-gender transition among Korean transgender individuals. American Psychological Association, Virtual.
1. Lee, J. (2019, March). Limitations in stage models for transgender identity development. The Korean Counseling Association-International Chapter 2019 Annual Conference, New Orleans, LA.

Roundtable Presentation

1. Lee, B.H., Lee, J. (2022). Navigating Graduate School. A roundtable presented at the International Section of the APA Society of Counseling Psychology at the Annual Meeting of the American Psychological Association, Minneapolis, MN.

CLINICAL EXPERIENCES

Sept 2023 – *Doctoral Trainee, William Middleton Memorial Veterans' Hospital, Madison, WI*
 Aug 2024 *(‘Madison VA’) PTSD Clinical Team* (Supervisor: Valerie Maine, PsyD)

Direct Intervention Hours: 203hrs.

- **Individual Therapy:** Delivered Cognitive Processing Therapy (CPT) and Prolonged Exposure (PE) to patients with trauma-related disorders both in-person and through telehealth.
 - Consumed up-to-date research and evidence-based practices for PTSD and trauma-focused care
 - Provided measurement-based care, systematically tracking client outcomes each session with PCL-5 and PHQ-9
 - Received weekly individual and group supervision on CPT and PE to refine clinical skills and ensure adherence to evidence-based protocols
- **Group Therapy:** Co-led STAIR (Skills Training in Affective and Interpersonal Regulation) group therapy for veterans experiencing PTSD symptoms
- **Assessment:** Conducted comprehensive psychological assessments for a range of conditions, including PTSD, ADHD, OCD, anxiety and mood, schizoaffective, autism spectrum, personality (borderline, antisocial, obsessive-compulsive, and histrionic) and eating disorders
 - Trained for and utilized a range of structured diagnostic interview protocols, such as Structured Clinical Interview for DSM Disorders (SCID), Clinician-Administered PTSD Scale for DSM-5 (CAPS-5), Diagnostic Interview for ADHD in adults (DIVA), Diagnostic Interview for Anxiety, Mood, and Obsessive-Compulsive and Related Neuropsychiatric Disorders (DIAMOND)
 - Utilized and interpreted a range of standardized cognitive (WAIS-IV, CPT-II, MoCA, D-KEFS, BRIEF-A) and personality (MMPI-3, PAI, MCMI-IV) testing tools
 - Utilized and interpreted a range of self-report assessment tools, such as PCL-5, PHQ-9, CAARS, Eating Disorder Examination, EAT-26, CIA 3.
 - Written and received supervision for seven integrated psychological reports on cases referred by the interdisciplinary team

Aug 2022 –
June 2023

Doctoral Trainee, Journey Mental Health Center, Madison, WI
Community Mental Health Clinic (Supervisor: Season Schwarzbrott, PsyD)
Direct Intervention Hours: 160 hrs.

- **Individual Therapy:** Provided interpersonal processing therapy utilizing psychodynamic framework for low income QTPOC (Queer, Trans, People of Color) and LGBTQ+ clients emphasizing identity-affirming care
 - Delivered culturally responsive, trauma-focused in-person/telehealth therapy for clients with complex trauma history
 - Presenting concerns ranging from childhood abuse, traumatic life experiences, eating disorders, and identity-based discrimination
 - Wrote referral letters for trans people seeking gender-affirming services and provided training and consultations to therapists writing such letters
- **Group Therapy**
 - Co-led Rainbow Recovery Group, an interpersonal process group for trauma-exposed LGBTQ+ people
- **Assessment:** Administered structured PTSD diagnostic assessments for trauma-exposed adolescents in Dane County schools through the REST (Resilient Response to Effects of Stress and Trauma) program

2022 Spring–
Present

Research Assistant, University of Wisconsin-Madison
Clinical Trial Study for Psychotherapy with Transgender, Two-Spirit, and Nonbinary People (2STNB) of Color
Funding: Understanding and Reducing Inequities Initiative, University of Wisconsin-Madison (\$250,000)
PI: Stephanie Budge, PhD.

- Collaborated with researchers and community members to design and implement an intervention for 2STNB people of color using community-based participatory research method
- Administered baseline structured clinical interviews for clients participating in a national open psychotherapeutic clinical trial
- Developed video-coding manual for culturally responsive care for 2STNB people of color (Radical Healing Framework) and video-coded 45 psychotherapy sessions provided by 2STNB therapists of color for 2STNB clients of color

Aug 2021–
May 2022

Doctoral Trainee, Counseling Psychology Training Clinic (CPTC)
University of Wisconsin-Madison (Supervisors: Pa Her, PhD, Stephanie Graham, PhD) *Direct Intervention Hours: 226.25 hrs.*

- **Individual Therapy:** Provided long-term individual therapy to UW-Madison students and community members with a wide spectrum of presenting concerns including interpersonal trauma, attachment issues, shame, LGBTQ+ identity development, depression, anxiety, and body image
- Received weekly individual and group supervision in psychodynamic and interpersonal process therapy
- Provided referral letters for transgender and nonbinary clients accessing gender affirming care
